Quality

Whether it's a fresh coat of protection from the elements or a way to improve the appearance of your home without the expense of a full home remodel, we can guarantee your satisfaction.

We use Sherwin-Williams products. They provide exceptional protection for Wood, Vinyl, Aluminum, Fiber Cement Siding, Metals, Brick, Masonry Stucco & Steel.

Our customers have come to know our reputation for top quality work at a price that is very affordable.

OUR VISION

"As a young boy, I grew up in Victoria, Texas. My dad was one of the first painting contractors in town. As his helper I painted many of the houses in Victoria and the surrounding counties. I was always thrilled to see the faces of our clients when they first saw their newly painted residences.

As owner of Paint Victoria, I am just as thrilled to see and hear the comments we consistently receive. I would like for you to experience that too." Carlos Cantu

EXTERIOR PAINTING

Add a touch of class and character to your home's exterior. Your place will be the best looking house on the block.

INTERIOR PAINTING

A fresh coat of paint does wonders for a room. Our care and technique will transform it!

Get exceptional hide, durability and protection with BEHR Premium Plus Interior Semi Gloss paint. It is a low odor, self priming paint that provides exceptional value and durability. It seals both uncoated and previously painted surfaces to create a finish that resists mildew, stains, moisture and wear.
